Subject: Cabot response

Hi Good morning Bonnie,

My name is Sheela Tobben and I am a reporter for OPIS. I am trying to get an up date on Cabot Oil and Gas' statement on Jan 26 making accusations that the EPA had used old data for accusing the company for water contamination in Pennsylvania.

I am including the statement I saw on Cabot's website just to give you a little more information. Here is the link:

I have reached out to Cathy but she is apparently out, and asked that I contact you instead.

Can you please respond as soon as possible with some comments.

Thanks for your help.

Best regards,
Sheela Tobben
